KEYCARE START

GP REGIONAL NETWORK

KeyCare Start **GP Regional Network**

KeyCare Start members access healthcare through regional networks. Each regional network is designed around your chosen KeyCare Start GP and a KeyCare Start hospital that offers a full array of medical, surgical and emergency services. The KeyCare Start GPs and hospitals are supported by a network of facilities and healthcare professionals that provide routine healthcare services. Below is a list of the KeyCare Start GPs per regional KeyCare Start Corporate GP practice.

The KeyCare Start GP network list is subject to dynamic contracting and can change at any time. This version is based on GPs that have contracted to participate in the KeyCare Start Network at the time of publishing. Please go to www.discovery.co.za to see the latest list before visiting your chosen GP.
