Patient's signature

(if patient is a minor, main member to sign)

## 2. Request for additional consultations and procedures (doctor to complete)

Your patient has automatic access to an annual treatment basket containing a limited number of consultations and procedures when approved for a PMB CDL condition. Please complete the table below where the request is for further cover or for consultations or procedures not included in the basket of care. To view the baskets of care go to [www.netcaremedicalscheme.co.za](http://www.netcaremedicalscheme.co.za)

| Condition | Consultation or procedure code | Number of consultations or procedures required per year | Motivation for the request |
|-----------|--------------------------------|---|----------------------------|
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |
|           |                                |   |                            |

### 3. Request for cover in full for non-formulary medicine (doctor to complete)

Please complete the table below where non-formulary medicine is prescribed for the treatment of PMB CDL conditions and the request is for cover without co-payment. Please supply a clinical motivation and supporting documentation, where appropriate, as to why the formulary medicine cannot be used by the patient, including details of treatment failure or adverse drug reactions where applicable.

| Medication name and strength | Quantity | Motivation for the request |
|------------------------------|----------|----------------------------|
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |
|                              |          |                            |

### Previous medication history

| Medication name and strength | Date treatment with this medication was initiated | How long did the patient use the medication for? | Details of treatment failure or adverse drug reactions |
|------------------------------|---|--|--|
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |
|                              |   |  |  |

### 4. Doctor's details (doctor to complete)

Name and surname
