Terms and conditions for Discovery Group (Life, Invest, Gap, Supplementary Gap Cover and Insure)

The account holder/s and or signatory/ies who need to sign this authorisation will be referred to as 'You' under this section, you need to fully read these terms and conditions before signing this authorisation.

You authorise Discovery to pay your monthly contribution or premium from your debit order account.

You declare that the account information you provide in this agreement is for an account in your name, and that the information you provide is true and correct.

Authorisation to use the bank account

You and the product owner must accept these terms and conditions. The third-party debit order account holders must give Discovery written notice if they want to cancel this agreement. It is not necessary to give written notice if you want to cancel a Discovery Insure policy or debit order.

You confirm that you know and understand that the debit orders authorised in this agreement will be processed through a computerised system provided by South African banks. The details of each Discovery debit order taken from your bank account, will be printed on your bank statement and must show the reference number of the Policy/Plan inserted in the authorisation so as to enable you to identify this Policy/Plan Contract.

Payment instructions

The bank listed in this agreement will treat all payment instructions you authorise as if you personally gave the instructions. You can cancel this payment instruction. However, cancelling the payment instruction does not end the agreement to pay your monthly premium or contribution. You will not be entitled to any refund of amounts withdrawn while the payment instruction was in force

Payment dates

You confirm the bank must pay the debit-order amount on the start date you choose (payment date) and then on the same day every month afterwards.

Your Discovery payment date can change. If you give us permission and you get your December salary on an earlier date, the payment date for some Discovery products can change to match the earlier December salary date.

In December, Discovery Insure does not change debit dates or bill earlier. Discovery Insure will only change the payment date if the client requests a change. However, this new date becomes the standard payment date going forward.

If the payment date falls on a Saturday, Sunday or recognised South African public holiday, Discovery can process the debit order on the next working day.

Payment obligations

If your debit order goes off and there is not enough money in your account to pay your monthly contribution or premium, you give Discovery permission to track your bank account and try to debit your account again.

You must pay any bank charges for this debit order agreement or instruction. You have to pay claims, losses and damages if there are not enough funds in the account, if the account details are incorrect or if the account is held in the name of any other person.

You give Discovery permission to collect this debit order from your bank account according to this agreement. You have to let us know if your banking details change. We will never send an instruction to your bank to debit more than the monthly contributions or premiums you owe us for your Discovery products. This payment instruction starts on the day you accept this agreement and it will go on until you either give Discovery 20 days' notice in writing that you want to end the agreement, or at once if you cancel the debit order with your bank.

By signing this agreement, you agree to the payment terms of this authorisation.

Changes to your rights and responsibilities

You know and understand that this Authority and Mandate may be ceded, assigned or made over to a third party if the Agreement or a part thereof is also ceded, assigned or made over to that third party. In the absence of such assignment or cession of the Agreement, this Authority and Mandate cannot be ceded, assigned or made over to a third party.

Personal information

We only collect and use your contact information for this debit order agreement. We will not use any of the information we collect for the debit order to update your personal information for any of your Discovery products.

Discovery Life-specific terms for this authorisation

If your banking details change or you load a stop payment at the bank for the account we use for your debit order, please contact our call centre so that we can start debiting your new account. If you don't contact us, we cannot debit your new account.

If payment is successful on a date that is different to your payment date, Discovery Life can change your payment date to the day the payment went through. Discovery Life will let you know of this in writing.

You authorise Discovery Life to obtain any information about you from any one or more of the following:

- Any credit bureau
- Any life insurance or credit provider's industry association
- Any other association of any industry in which we operate, this includes information related to creditworthiness, credit history, financial history, personal information, judgement history and default history

Payment dates

1.1.1 Discovery Invest and Discovery Life

The payment date you choose affects your debit order as follows:

- If you choose a payment date between the 11th and the 31st of a month, Discovery debits your account in advance. In other words, you pay the fee for the month before the month starts.
- If you are changing your payment date from a day before the 10th of the month to after the 11th of the month, you may have a double debit (get charged twice your premium or contribution) for the first debit after you make the change.
- If you have chosen a payment date between the 27th to the 1st of a month, your account may only be debited with the next month's premium collection because of the way our system processes this.
- If you choose a payment date from the 2nd to 26th of a month, you must ask for the change to your debit date to be done at least 72 hours before the date you choose.

1.1.2 Discovery Insure

Discovery Insure allows you to choose any day of the month as your payment date. Depending on the start date of the policy, you will be billed as follows:

- If the policy starts on the 1st of the month, the payment date is on the 1st of month and you will pay the fee for the full month ahead.
- If the policy starts on the 2nd to the 31st of the month and the payment date is the 1st of the month, you will be billed within 48 hours of the policy starting.
- If the policy starts on the 1st of the month and the payment bill date is after this date, we will pro-rata the remainder of the month and charge it with your first debit order. Pro-rata means a portion of the month in this case. For example, if your plan cost you R500 a month and your bill date is on the 15th, we will charge you R250 for the first 14 days of your membership and add the next month's debit amount of R500 to it.
- If the start date is on the 2nd to the 31st of the month, you will have to pay for the days remaining in the month until the next billing date as well as the full monthly fee for the next month.
- If the first debit order for the policy is not successful, we will withdraw the policy straight away.
- If the first debit order for the policy was successful, and any other later debit order is unsuccessful, Discovery will try to debit the account again. You have 15 days to pay your premium or we will withdraw the policy.

Note: We process your personal information as we set out in the Discovery privacy statements for each business, available at <https://www.discovery.co.za/corporate/legal>. By accepting these terms and conditions or by providing personal information to us, you agree and give permission for us to use your personal information as we set out in our privacy statements.
